

## EDITORIAL BOARD

On careful observation, life can be aptly termed as a series of challenges, a continuous succession of smaller and larger problems. As soon as we get in control of one situation, another one hits us. The ICSE and ISC examinations this year, were speckled with breaks and interruptions, with the last few examinations being indefinitely postponed because of the pandemic. As someone who had appeared for a similar test, I can probably gauge the level of the mental stress that the candidates might have faced. But a glance at their extraordinary results is enough to convince even the most skeptical of the perks of challenges and the satisfaction in overcoming them. Life is, in fact, a never-ending process of “two steps forward and one step backwards”. Isn't that something to cherish? We couldn't possibly have become the person we are today if we had not had to contend with adversity on our way up. You learn what you're really made of only when things go wrong. What are you made of? What are you really made of? When the chips are down, what lies at the very core of your character? We are all going through a difficult phase, but when we see the light after this darkness, we would be better versions of ourselves. “Sweet are the uses of adversity which, like the toad, ugly and venomous, wears yet a precious jewel in his head.” -Ankit Mondal, 12A, School Captain Designate

## ANNUAL INTERACT MEET 2020

The Annual Interact Meet aims at bringing the entire Interact Club together for recognition of their hard work. This Annual Meet is undoubtedly one of the most awaited events in the Interact Club calendar. However, owing to the current Covid-19 situation, this year's Annual Interact Meet was held on a virtual platform on 25<sup>th</sup> July, 2020.

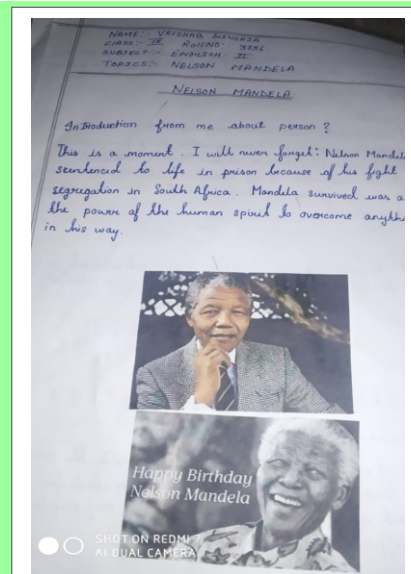

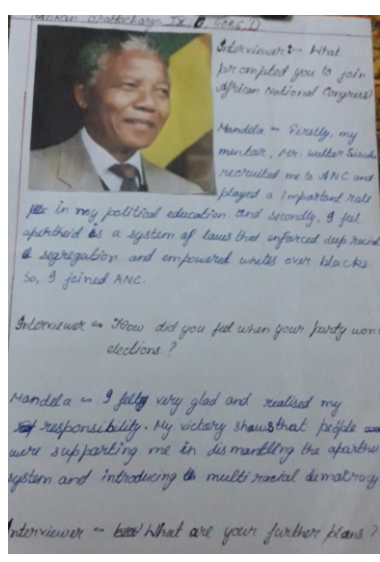

On behalf of M.C.K.V, two Interactors from Classes 11 and 12, two teachers and our revered Chairman Mr. Kishan Kumar Kejriwal attended the virtual meet. A video montage showcasing the new talents acquired by the students of different schools during the lockdown was presented. Ryan Shaw, a motivational speaker, boosted the spirit of the Interactors with his speech.

Our Interact Club has been awarded in the Annual Interact Meet in the following categories:

- **First position in Best participation in District Projects**
- **Second position in Best Interact Club of the Year (2019-20)**
- **Second position in Community Service Award (Save drive, save life)**
- **Second position in Club Service Award (Inter School Projects)**
- **Second position in Vocational Service Award**
- **Second position in Outstanding Projects (FTS)**
- **Second position in Best Support to Rotary District Events**

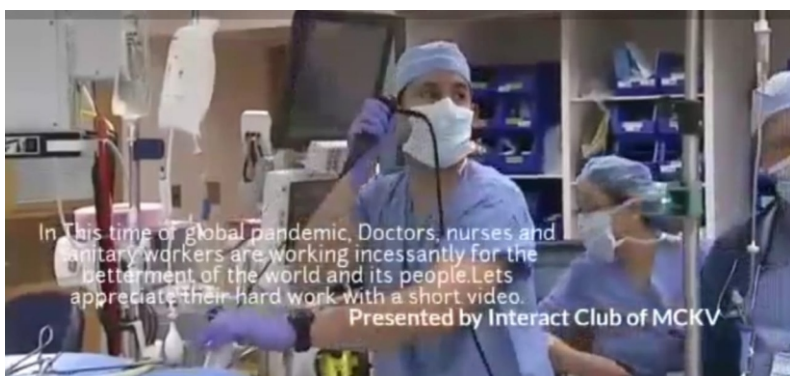

## A CHAMPION OF HUMAN SPIRIT

On the occasion of the Birth Anniversary of Nelson Mandela on 18<sup>th</sup> July, the members of the Social Service Group of M.C. Kejriwal Vidyapeeth had organised an imaginary interview competition for the students of Class 9. Students impersonated a journalist to conduct an imaginary interview of Nelson Mandela about his life and works. These students presented their interview in an illustrated form on A4 size papers and took photographs which were later sent to their respective class teachers for selection. The competition was organised to make them aware of Nelson Mandela's life long struggle against discrimination.

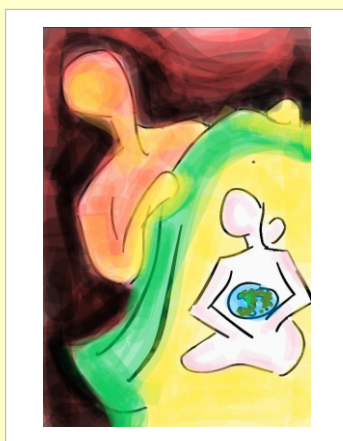

## A TRIBUTE TO OUR DOCTORS

To commemorate Doctor's Day on 1<sup>st</sup> July, the Birth and Death Anniversary of the legendary physician and our former Chief Minister, Dr. Bidhan Chandra Roy, the members of the Social Service Group of M.C. Kejriwal Vidyapeeth paid a humble tribute to our doctors. In line with this year's theme which was '**Lessen the mortality of COVID-19**', our students made a video on doctors and frontline warriors who are leading the fight against COVID-19. In this video, the students paid homage and thanked the doctors and all the exceptional caregivers for their dedication and selfless contribution to our society. This video was sent to all the students of different classes with the aim of making them aware of the importance of the day.

## WORLD POPULATION DAY

World Population Day is observed on 11th July every year to raise awareness among people about the impact of a growing population and issues including gender equality. The idea of safeguarding the health and rights of women and girls amid the pandemic was the theme of this year's World

Population Day. A poem was written by **Sourav Bhattacharjee of Class 12** that reflects how important it is to value women and their rights for achieving sustainable development.

*Listen closely!!*

*Can you hear humanity's death knell?*

*Do you want your generation to be remembered as those who cared more about your fragile honour than life itself?*

*Do you want to be the generation to steal and play with the life of the life givers but participating in women rights campaigns or do you want to walk the extra mile and give women the respect they deserve...?*

**Ankit Mondal 12A**

**“The world rests in the Mother's bosom. Save women Save humankind.”**

## LET'S KEEP OUR SURROUNDING GREEN....

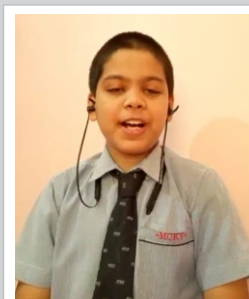

Every citizen has the responsibility to keep the environment clean and green even in this crisis period of pandemic. Keeping this in mind, a tree plantation programme was organised by 21 Bengal N.C.C battalion on 10<sup>th</sup> July, 2020. The NCC cadets of MCKV, under the able guidance of Mr. Anup Singha, Associate NCC officer, planted trees maintaining the norms of social distancing. They planted saplings in their respective houses and took the responsibility to nurture it. This noble gesture of the NCC cadets was a small step towards making this earth a better place to live in.

## SPECIAL ASSEMBLY ON GURU PURNIMA

The students of MCKV have always held their teachers in high esteem. On the occasion of Guru Purnima, they arranged for a special assembly to pay tribute to their teachers. The assembly began with the prayer, chanted by Raunak Mallick of 7C and it was followed by the Shloka, recited by Sankhadeep Roy of 9C. Hardik Heda's introductory address on Guru Purnima was followed by a speech on this special occasion by Vishlesh Jodgi of 10 C. Sudersha Chakraborty, Akshat Singh, Akash Agarwal and Harsh Modi recited self-composed poems in honour of their teachers. The day thus began on an auspicious note, reminding everyone of the special role that gurus play in our lives.
