

Sreejit Dey, 11 A Assistant Student Editor

Time is a mysterious force that weaves a spell of lasting moments and fleeting memories. It seems like only yesterday when we returned to in-person school after a long hiatus, and now we stand on the cusp of a new academic year, ready to turn a new page in the book of our lives.

March was a month marked by a flurry of assessments and year-end evaluations, adding to our workload and stress levels. Although the festive occasion of Holi brought some respite, it did little to ease the anxiety of waiting for results.

However, the start of April is a cause for excitement, as it brings festivals such as *Poila Baishakh*, *Bihu*, and Easter. With the board exams over, a sense of jubilation fills the air, refreshing our hearts. The arrival of a new beginning offers us a chance to shed our old ways and start anew with renewed energy and enthusiasm.

The future may seem daunting, and we may be apprehensive about the challenges ahead.

But let us not be intimidated by these challenges and instead see them as opportunities to test the limits of our potential. As Winston Churchill once said, "Success is not final, failure is not fatal — it is the courage to continue that counts."

In conclusion, I wish everyone a prosperous Bengali New Year and a fresh start to the academic year. May this new beginning be filled with excitement, growth, and endless possibilities.

## **Summary of School Events**

### **BIDDING ADIEU**

The entire MCKV community gathered on 24 February 2023 to bid a final farewell to Ms Myrtle Kitt, our beloved teacher from the Preparatory Stage, who served the school for over two decades. The emotional farewell included heartfelt speeches and shared memories of her dedication and commitment to shaping numerous young minds. Ms Kitt will always hold a special place in our hearts, and her legacy will continue to inspire us. MCKV will miss her dearly.

#### ORIENTATION PROGRAMME FOR PRE-NURSERY AND NURSERY (2023-2024)

On 23 March 2023, an Orientation Programme was held for the parents of Pre-Nursery and Nursery children to familiarise them with the rules, regulations and systems followed in our school at the Foundational Stage. The event started with a warm welcome by Ms Priti Mall, our Foundational Stage Coordinator, followed by a welcome song by young MCKVians. During his address, Mr Kishan Kumar Kejriwal, our dear Chairman, emphasised the crucial role of parents in their children's upbringing and the importance of instilling a sense of groundedness in them. Meanwhile, Mr Neelkantha Gupta, our Director, highlighted the importance of building a strong partnership between the parents and the school to ensure the happiness of the children.

Overall, the programme was successful in its aim to bridge the gap between parents and the school and create a strong bond for the benefit of the children's development.

#### HOLI CELEBRATIONS IN MCKV

MCKV celebrated the festival of Holi on 6 March 2023 with great joy. The cultural programme held in the audio-visual room was a highlight of the event, where staff members presented a soul-stirring amalgamation of cheerful songs, poetry, music and rhythm.

The atmosphere at the MCKV canteen was filled with laughter and joy as staff members sprinkled colours on each other and savoured traditional Holi delicacies. It was heartening to witness the MCKV family take a break from their mundane routines and indulge in the colours of happiness and joy.

#### MCKVAA PREMIER LEAGUE -2023

MCKV Alumni Association held its first-ever cricket tournament, the MCKVAA Premier League, on 25 and 26 March 2023. The tournament was held at the One-Shot Turf in Foreshore Road, Howrah, and saw the participation of 72 players, including alumni and current students from Classes 11 and 12, divided into six teams. The event was broadcast by Cric-Heroes and had neutral umpiring.

Mr Neelkantha Gupta, our Director, and Mrs Mallika Mukherjee, our Principal, inaugurated the event by lighting the torch, along with Mr Aman Agarwal, the title sponsor and owner of Bid Force. Their inspiring speeches set the tone for the two-day event.

After a nail-biting contest, team *Hustlers* emerged as the winner of the inaugural cup of MCKVAA Premier League, with team *Grit* coming in second. Aditya Ojha, the captain of *Hustlers*, was awarded the Man of the Tournament.

The tournament concluded with a vote of thanks by Mr Biswajit Majumdar, our Headmaster, thanking everyone for making the event a grand success.

The detailed reports and photographs of the above events are available in the news section of ourwebsite www.mckv.edu.in

### KARATE PRODIGY

Somriddho Mukherjee, a student of Class 1D of our school, has made his mark in the world of martial arts by winning accolades in various karate championships.

He recently stood second in the 12th Hooghly District Inter-School Karate Championship and secured third place in the 7th All-Bengal Karate Championship.

Somriddho's achievements have made his family and school proud. He is a promising talent in the world of martial arts, and it won't be long before he makes his mark at the national and international levels.

Congratulations to Somriddho on his remarkable achievements in karate!

## WORD CHAIN CHALLENGE

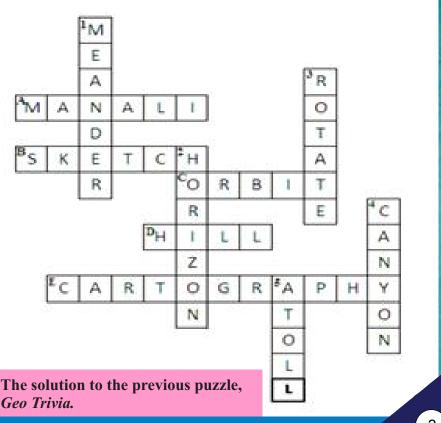

You have five six-letter words. Find the **second**, **third**, and **fourth words** that **begin with the same two letters as the last two letters of the preceding word**. For example, if the first word is 'PA\_\_\_ET,' the second word should start with 'ET' because those are the last two letters of the first word. This clue will help you identify the third and the fourth words as well. Additionally, **the last two letters of the fifth word should be the same as the first two letters of the first word**. For example, if the first word is 'PA\_\_\_\_ET' and the fifth word is 'ME\_\_\_\_\_,' then the last two letters of the fifth word should be 'PA' to match the first two letters of the first word.

If multiple words fit the given criteria, choose the word that matches the clues provided.

- 1. PA\_\_\_\_ ET (a portable platform on which goods can be stacked, stored, and moved).
- 2. \_\_\_\_\_ (belonging to a population group or subgroup made up of people who share a common cultural background or descent).
- 3. \_\_\_\_ L E (hanging, tapering piece of ice formed by the freezing of dripping water).
- 4. \_\_\_\_\_ (crops that have nodules in their roots that contain nitrogen-fixing bacteria).
- 5. M E \_\_\_\_\_ (a chemical compound used to control disease-causing pests).

The solution will be published in the next edition.
