Throughout every human civilisation, celebration has served as the instrument infusing life with passion and purpose. As Indians, we are fortunate to inherit one of the oldest and most diverse civilisations in the world, and this is beautifully reflected in the multitude of festivals, we celebrate.

The month of October aptly exemplifies this spirit of celebration in MCKV. It began with the resonating beats of *dhak* during the special assembly on *Mahalaya*, awakening a sense of anticipation and togetherness. Durga Puja was celebrated with much enthusiasm this year. In a heartwarming display of inclusive celebration, our students paid a visit to the Seba Old Age Home to celebrate *Mahalaya* with its residents.

October was also marked by the culmination of months of dedicated efforts by our students. MCKV hosted its very first offline inter-school festival, *Mélange 2023*, celebrating a spirit of camaraderie and healthy competition. The event engaged over fifteen schools and hundreds of students in activities promoting creative thinking and collaboration.

The 17th Installation Ceremony of the Interact Club of MCKV was another significant event this month, reaffirming our commitment to the upliftment of diverse communities.

As we step into November, we eagerly await the brilliance of Diwali illuminating our days with joy and happiness. Let us continue to celebrate our achievements and learn from our mistakes, striking a balance between triumphs and struggles.

Happy Diwali!
