

In the words of Benjamin Franklin, the American polymath, "Without continual growth and progress, such words as improvement, achievement and success have no meaning."

In the ocean of opportunities, MCKV has always striven to discover excellence in its voyage. Our constant endeavour to bring forth the best in ourselves, to settle for nothing less than perfection, to keep sailing

through the variable waters with the same merry smile have kept our values alive and simultaneously earned us glory. The well-deserved acknowledgment that our school has come by, serves as icing on the cake in the celebratory Silver Jubilee year of our school. This momentous while was also marked in the launching of The Melange, an online three-day inter-school competition to celebrate 25 glorious years of the school's achievements, wherein many prestigious schools from all over the country and outside our country participated.

Undoubtedly, the feats achieved in these years due to the combined efforts of the faculty and students have been tremendous. The key to more such triumphs is consistency - the ability to continue the grind, irrespective of the ever-changing situations that at times pose a hurdle on our paths. Indeed, all these remarkable endeavours undertaken have managed to extricate a name for MCKV from the tyranny of numbers and the muddle of mediocrity.

To celebrate this glorious occasion of the Silver Jubilee year, the school organised a mega three-day Inter-School Festival- 'MCKV MELANGE' on the virtual platform.

A plethora of interesting and engaging events were conducted. On one hand, participants displayed their physical agility and dexterity in performing myriad complex asanas in the Yoga Competition- 'Happy Stretch', while on the other hand, students had to decode

the puzzling and mind-boggling questions in the 'Quizitch' (Junior School Quiz Competition) and 'Mindspark' (Senior School Quiz Competition). If 'Pantomime' (Junior School Role Play Competition) unleashed their creative and acting skills, 'Incognito' (Senior School Declamation Competition) unravelled those hidden gems, who have mastered the art of oratory.

In order to ensure fair judgement in all the events, a panel of eminent judges such as Ms. Hilda Peacock, Director, Gems Academia International School, Sudipta Dawn, celebrated theatre coach, Ms. Tania Nag, Ms. Sulagna Sen and Mr. Debobroto Ghosh, all renowned Yoga teachers, were invited to be a part of this special occasion. Mr. Rajib Sanyal, a well-known name in the world of quizzing, having hosted more than 3000 quizzes was the quiz master for 'Quizitch' and 'Mindspark'.

Though our school emerged as the Overall Winner of 'MCKV Melange 2021', the Chairman, very generously decided to forego it, being the host school, and declared The Heritage School, Kolkata and Aditya Academy Senior Secondary School, Dum Dum as the joint winners. The closing curtains to this mega festival were drawn on 2nd October, 2021.

Undoubtedly, the competitions upheld the thoughts of Pierre de Coubertin, "The most important thing in life is not the triumph but the struggle. The essential thing is not to have conquered but to have fought well."
